

Night Plane

The midnight plane with its flying lights
looks like an unloosed star
wandering west through blue-black night
to where the mountains are,
a star that's come so close to earth
to tell each quiet farm and little town,
'Put out your lights, children of earth. Sleep warm.

- Frances Frost -

Barbara Grudzień
z Kociny- uczennica klasy II
Szkoła Podstawowa im. Jana Pszczoły Wojnara
z Krzczonowa
recytowała wiersz w języku angielskim
pt. Night Plane
